

National Tracking Poll #2401171  
January 30 - February 02, 2024  
*Crosstabulation Results*

*Methodology:*

This poll was conducted between January 30-February 2, 2024 among a sample of 2205 Adults. The interviews were conducted online and the data were weighted to approximate a target sample of Adults based on age, gender, race, educational attainment, region, gender by age, and race by educational attainment. Results from the full survey have a margin of error of plus or minus 2 percentage points.
